

Tub Style Container

The Tub Style Heavy-Duty Containers come in 6 cubic yard up to 40 cubic yard.

The Roll-off Tub Style Heavy-Duty container comes in a mini residential style or a full size container.

The tub design allows the bin to be easily stacked with a cleaner look and a stronger base. The sides of the container are ideal for advertising a company logo. The size of the tub containers range from a 6 cubic yard up to a 50 cubic yard allowing the operator to choose just the right size.
